

NEWSLETTER BLURB

Did you know that 1 in 4 people globally are experiencing hunger and 1 in 6 Australians have been food insecure in the last year alone – that includes children and families in our very own community.

On <insert date>, our school will be participating in Active August to help raise funds to fight hunger.

By walking <insert distance goal> around <insert location> collectively, we hope to raise \$ <insert fundraising goal> to help ADRA provide families with opportunities to grow their own food, earn an income and fight hunger.

If you would like to support our school's online fundraising page and donate, please use the following link <insert fundraising link>, scan the QR code on the poster or visit **www.activeaugust.com** and search for <school name>.
